Subject: Media request re Animas River

Hi Mr. Ostrander,

My name is AJ Vicens and I'm a reporter working on a quick item for 5280 Magazine's website. I'm hoping we can talk briefly about the Animas River situation, and what it might mean going forward. I know you're busy, so I can keep the call brief.

Please let me know how we can get in touch.

Best,
AJ Vicens
